

SEBASTIAN AMEZQUITA

Bachelor of science: geology | GIS

Phone: +1 (470) 64188251518

Email: samezquita2605@gmail.com

Address: Henry St, B3H3J9

Halifax, NS

(Open to relocation)

OBJECTIVE

Dynamic and proactive professional, with analytical capacity and ease of adaptation to new environments and established rules, with excellent interpersonal skills, and much desire to constantly improve and undertake new challenges anywhere in the world. Ready for my lifetime career focused on integrating my GIS knowledge with the technical and field principles of geology, eager to work with businesses or government organizations to create solutions and optimize processes, while being environmentally conscious and striving to have a positive impact on the community.

SKILLS AND QUALIFICATIONS

- ✦ Data visualization: map creation, diverse techniques of cartographic representation.
- ✦ Geoprocessing using Python scripting and ModelBuilder.
- ✦ Experience programming with HTML, CSS, python, JavaScript.
- ✦ Fluent in English and Spanish.
- ✦ Ability to work with teams of people with diverse backgrounds.
- ✦ Flexibility and versatility.
- ✦ Excellent analytical skills.
- ✦ Enthusiasm.
- ✦ Good physical fitness.

SOFTWARE

- ✦ GIS: ArcGIS Pro, ArcMap, ArcCatalog, ArcGIS Online, Survey123, Collector, ArcGIS Insights, QGIS, MapInfo Professional.
- ✦ Relational Database Management: PostgreSQL/PostGIS, Oracle (SQL*Plus, PL/SQL) and SQL Server, Oracle with UNIX.
- ✦ Remote sensing: PCI Geomatica (Image orthorectification, classification, and enhancement).

EDUCATION

Saint Mary's University

Bachelor of science: Geology

May 2014 – June 2018

Halifax, NS

Centre of Geographic Sciences-NSCC

Advanced diploma: Geographic Information Systems

Sept 2020- May 2021

Lawrencetown, NS

WORK EXPERIENCE

Blue Ocean (Cisco Systems Inc.)

Spanish/English order management agent

November 2018 – April 2020

Halifax, CA

- Provide fast, friendly, and effective service to our customers using critical thinking and a sense of urgency to resolve their problems.
- Follow highly detailed processes and policies; attention to detail is a must.
- Support external and internal Cisco clients by processing material and equipment replacements.

I worked for the technology multinational Cisco, in this job I provided logistics support, created replacement material authorizations (RMAs) and oriented customers on policies and processes as requested.

Concentrix

Customer service associate

August 2018 – November 2018

Dartmouth, CA

- Maintain a high level of customer satisfaction by delivering an excellent customer experience.
- Assist customers by providing high quality customer service using knowledge of products, systems, and procedures, to consistently exceed the customer's expectations.

Kognitive Marketing

Sales representative

October 2016 – February 2017

Halifax, CA

- Achieve agreed upon sales targets and outcomes within schedule.
- Present, promote and sell products/services using solid arguments to existing and prospective customers.

Valuable sales experience working for the Bank of Montreal as a field marketing representative (FMR). This position focused on promoting credit card sales. I learned important strategies for product promotion and reinforced a strong entrepreneurial spirit motivated by achieving and exceeding company and personal goals as well.

ACHIEVEMENTS & OTHER NOTES

- ✦ 50+ hours Esri e-Learning Courses.
- ✦ WHMIS & OH&S, June 2021.
- ✦ Valid Nova Scotia Class 5 Driver License.
- ✦ Willing to relocate.
- ✦ LinkedIn: /in/sebastian-amezquita-2605
